IRMMA PART B
Income Related Monthly Adjustment Amount

The standard Part B premium amount in 2021 is \$148.50. Most people pay the usual Part B premium amount. Suppose your modified adjusted gross income is above a certain amount as reported on your IRS tax return from 2 years ago. In that case, you'll pay the standard premium amount and an Income Related Monthly Adjustment Amount (IRMAA). IRMAA is an extra charge added to your premium.
